

Report on Annual Students Seminar (online) organised on 21.07.2021 on “Role of State in National Emergency- A Case Study of India’s ongoing Covid-19 Management.”

Topic- Role of State in National Emergency- A Case Study of India’s ongoing Covid-19 Management

The prolonged lockdown and social distancing have kept students away from classrooms. In their vicinity, Covid-19 impact has ravaged them mentally, physically and emotionally. Students were encouraged to share their experiences, talk about how they felt the State responded and articulate what better approaches could be adopted for better, efficient and timely handling of this situation.
