

Report on Annual Students Seminar on “Building an Inclusive India- Goals for the 21st Century” held on 07.05.2022 organised by the Department of Political Science & IQAC, SPCMC.

Topic- Building an Inclusive India- Goals for the 21st Century

Judge

Dr. Sheikh Makbul Islam, Department of Bengali, SPCMC and Dr. Tridib Chattopadhyay, Head Librarian, SPCMC

Participants

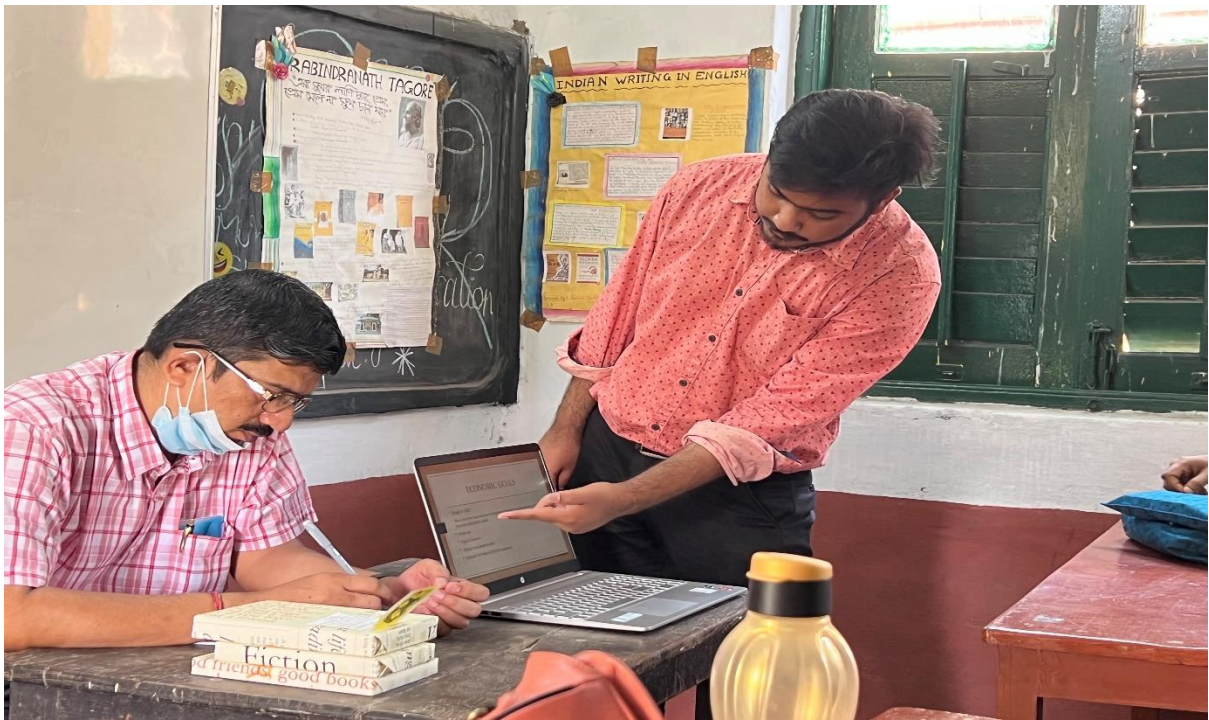

1. Anjan Dey
2. Aritra Kumar Maitra
3. Priyam Jain
4. Rahul Thakur
5. Md. Jamshed
6. Tushar Hela
7. Dipanjan Kundu

The topic chosen was to stimulate students to contemplate how a post-pandemic world would be built to create inclusiveness for one and all. India was at the cusp having fumbled and managed to overcome the onslaught of Covid-19 in Phase I but endured heavy casualties and was accused of bad management in Phase II. Students deliberated on the presence of “TWO INDIAS”- an urban India and a rural Bharat. How would India be led post Covid-19? How could a democracy rise again after suffering loss of lives and economic clout. This challenge was presented to the students.
